The Honourable Bronwyn Eyre  
Minister of Justice and Attorney General  
Room 355, Legislative Building  
Regina, Saskatchewan S4S 0B3

Dear Minister Eyre:

We, the undersigned, a coalition of consumer advocates representing the perspectives of financial consumers and retail investors nationwide, are writing to extend our congratulations to you and your government on the successful passage of Bill 150, The Securities (Saskatchewan Investors Protection) Amendment Act, 2023.

This legislative achievement marks an important milestone in bolstering investor protection and upholding the rights of consumers in the Province of Saskatchewan.

The coalition commends your proactive stance in prioritizing the interests of investors and consumers alike. Implementing a process to provide binding decisions for investor complaints by the Ombudsman for Banking Services and Investments (OBSI) reflects your government's ongoing commitment to levelling the playing field for investors in the province.

For more than 20 years, OBSI has provided investors with access to a fair and impartial recourse mechanism for resolving financial disputes. FAIR Canada and fellow consumer advocate groups have long advocated for binding authority, recognizing its critical role in upholding the integrity of the Canadian financial services market.

Your leadership in moving this legislation forward is commendable and sets an example for other jurisdictions to follow.

FAIR Canada and the coalition of consumer advocates will continue advocating for regulations that put investors' interests first, and we look forward to having input on the provincial regulations.

Once again, congratulations to you and your government on this significant achievement. We look forward to witnessing the positive impact of Bill 150 on investor protection and consumer rights in Saskatchewan.

Yours sincerely,
